CVS CAREMARK MAIL SERVICE PHARMACY

SO MANY BENEFITS, NO EXTRA COST

Do you or someone in your family take a long-term medicine to treat a chronic condition like asthma, heart disease, diabetes or high blood pressure? The CVS Caremark Mail Service Pharmacy will deliver these prescriptions directly to the location of your choice — at no additional cost for shipping or postage.

The benefits of ordering 90-day supplies of your long-term medicines through mail service include:

Greater convenience

Ordering a 90-day supply of your prescriptions saves you a trip to the retail pharmacy every 30 days.

Lower prescription costs

For many plans, the copay* for a 90-day supply through mail service is less than three 30-day supply copays at a retail pharmacy.

Personal service

Speak with a registered pharmacist by calling the 24-hour, toll-free number at 1-888-624-1139 (TTY 711)

Secure delivery

Your medicines are sent in plain packaging to protect your privacy. The package is tamper-proof and, if necessary, temperature controlled to protect certain medications and for your safety.
